Barely Trims Thunderclap In Feature by An Eyelash

SARATOGA, N. Y. Aug. 3.—Sennings Park came trooping down the wire victorious inthe Lake George Handleap this afternoon. Hot dawg, but what a race! Just an inch or two separated Sennings Park from Thunderclap. Also that inch separated Sande from his riding buddy and rival, Fator.

It was a wonderful sight to see the two stars battling it but in the run down the stretch. Fator on Thunderclap, the Rancocas stable entry, would have given anything to have beaten Sande on Sennings Park. It made no difference to lancocas stable. He just sat down the rode his best to beat out his win horse. Just an instance to how that racing isn't so crooked iter all.

Sennings Park was the 1 to 2 avorite on account of his great yorkouts and pull jin weights. The joiletariat only wanted him and as hey watched the spectacle they rew squirmish. Thunderclap was but in front tineanning along with
